Hi Cynthia,

I have made some suggested edits. Let me know if this works for you all. I can forward them to Julie if that works for you?
(if you want to send them that's fine as well)

Subject: IMMEDIATE ACTION NEEDED: Talking points for CFAC

Good morning.

I received a voice message from Julie DalSoglio this morning regarding CFAC. She will be attending a Flathead Basin Commission meeting this week, and Joan suggested she contact me for the latest talking points for the CFAC listing. Attached are the TPs from Thursday night. If you think they should be updated or edited before I send them to Julie, please let me know by noon today so I can send them off to her. I'm going to be out of the office the next two days, so I have to get it done this afternoon.

Thanks!
Cynthia
